

Thorace Dead Blow Hammers

Hollow die cast head partially filled with steel shot, which adds to the weight of the impact and prevents rebound, delivering a dead blow. The handle is manufactured from aluminium alloy with a shock absorbent non-slip rubber grip.

Supplied with two screw in replaceable white nylon faces.

KENNEDY PROFESSIONAL Nylon Faced Safe Blow Hammers

Hard nylon faced hammer with 2 screw-on all purpose striking faces which can easily be replaced manually without the use of any other tools - minimising downtime. Hollow chrome plated zinc head partially filled with steel pellets which impact a split second after the hammer face, reducing rebound, fitted with a fully moulded polypropylene shaft with soft feel dual material grip. There are no metal parts in the striking faces which could mar the workpiece as the head wears down. The striking faces are reinforced for extra strength and to prevent fracture from 'off-target' hits. Precision grooves in the metal head prevent faces from vibrating loose during use.

Face Ø (mm)	Overall Length	Order Code KEN-527	Price/1 THB
44	340mm	-2080K	2237.00
50	340mm	-2100K	2531.00

Junior Thorlite Rubber Hammer

Lightweight rubber faced hammer. Aluminium alloy head with solid wooden handle. Fitted with two rubber striking faces one soft (marked with red) and the other hard.
