Electric- and Battery-Powered Chain Saws

For chain saw chaps, see page 1739. See Grainger.com for chain saws, bars, chains, sharpeners, and oil.

DEWALT

Brushless chainsaws deliver the performance of gas with the convenience of cordless. Auto-oiling for delivering smooth cuts. Tool-Free tensioning system allows for quick bar and chain adjustments with no additional tools required.

EGO BATTERY-POWERED

A tensioning knob lets you adjust chain tensioning with no need for tools.

MAKITA BATTERY-POWERED

These tools have an electric brake. 53RF95 requires (2) LXT 18V batteries (not included).
