

**Garden Hand Tools**

Ames tools feature heavy-duty stainless steel blades and an ergonomic handle design. They offer soft gel-grip inserts for comfortable all-day use. Claus tools have corrosion-resistant steel blades. Trowel and transplanter have straight handle. Bulb digger has D-handle.

Description	Blade L	Handle Material	Brand	Item No.
Trowel	5 3/4 in	Polyethylene	Ames	415M70
Transplanter	5 3/8 in	Polyethylene	Ames	415M71
Cultivator	3 1/2"	Polyethylene	Ames	415M72
Bulb Digger	4 1/4 in	ABS/TPR	Claus	429U31

**Gas-Powered Tillers and Cultivators**

**Tiller/Cultivator**—Features reversible, hardened-steel tines that provide a smooth tilling action. Worm gear-type transmission provides high torque and high tine rpm. Throttle control and water-resistant stop switch are easy for operator to reach.

**Cultivator**—Lightweight mini cultivator features 2 rear, 7" plastic wheels and a 3-pc. folding handle.

**Rear Tine Tiller**—Features forward and reverse gear drive. Includes 13" solid rubber tires and foldable, pistol grip handles. Fuel system oil mix to gasoline is not required.

**Gas-Powered Bulb Planting Drill and Pot Auger**

Cordless drill has an all-position diaphragm with purge pump carburetor, for heavy-duty performance at any-angle. Keyed chuck holds drill shanks up to 1/2". Electronic ignition provides quick, easy starts. Reversible.

Description	Mfr. Model	Item No.
2-Cycle 25.4cc Engine Drill	EDR-260	52DD78
7" x 16" Gal. Pot Auger	99944900070	31ER79

**Gas-Powered Earth/Ice Auger**

Ideal for most earth, snow, and ice drilling operations and is suitable for a variety of auger diameters. 30:2:1 gear ratio allows for fast cutting speeds. Frame assembly and heavy-duty handle help reduce vibration for greater operator comfort and allows for 2-person operation.
