Plate Compactors and Tamping Ram

PLATE COMPACTORS

Heavy-duty shock mounting helps reduce vibration to upper engine handle. Sealed belt cover helps keep out sand and soil, and open plate is self-cleaning.

Single Direction—Plate compactor has water tank, sprayer, and collapsible handle. High-powered engine with low fuel consumption. Fluid tank and dolly wheels are removable for easier movement.

Reversible Plate—Forward and reverse gears allow greater mobility in trench work. Heavy-gauge cast-steel

base plate resists wear. Centrally located lifting bar and dolly wheels ease transport. Wraparound cage helps protect plate from damage. Use to compact asphalt, gravel, and mixed materials.

TAMPING RAM

Features heavy-duty roll cage and heavy-duty throttle cable. Includes removable dolly wheels for easier mobility. Utilizes lean carburetor settings and additional measures to reduce the emissions of carbon monoxide, oxides of nitrogen and hydrocarbons which are produced in the combustion process.

Description	Plate Size	Force	Vibration	W	L	Weight	Item No.
Plate Compactors							
Single Direction with Loncin Engine	18 in x 23½ in	2300 lb	3600 VPM	20 in	39 in	180 lb	54DH93
Reversible with Honda GX270 Engine	14½ in x 28½ in	2500 lb	4300 VPM	21 in	48 in	275 lb	6LCW4
Tamping Ram							
Loncin Engine	11 in x 13 in	4000 lb	350 to 700 VPM	20 in	24 in	275 lb	54DH91

WESTWARD® Operating Wrenches and Meter Keys

Heavy-duty steel construction with T-bar handle for maximum turning leverage. Use to reach underground valves. Powder-coated for corrosion resistance. 31MJ69 and 31MJ70 are multifunction wrenches with 3 keys stored on the wrench (held in place with spring-steel snap pins) eliminating the need for 3 different tools.

Description	Item No.
Operating Wrenches	
2¼" Square Key with 60° T-bar Handle	31MJ68
Water Meter Keys	31MJ69
Water Meter Keys	31MJ70
Meter Keys	
Water Meter Keys	31MJ72
¾" dia. Shaft and ¾"W Groove and 60° T-bar Handle	31MJ73

TRUE TEMPER

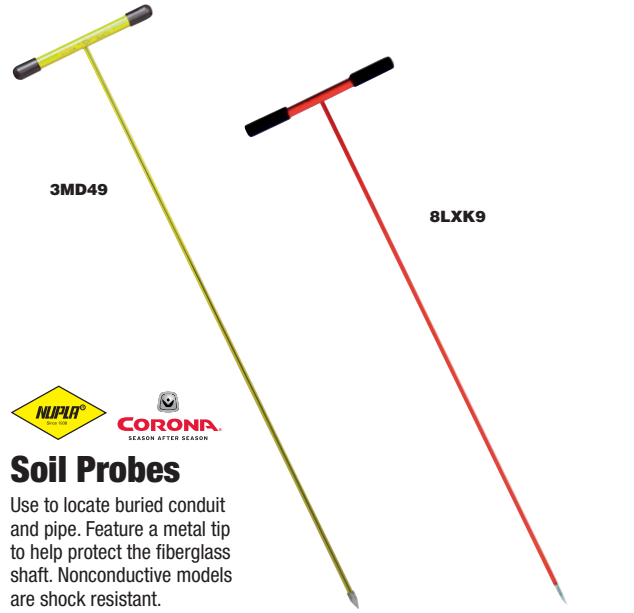

WESTWARD®

Tampers

Sturdy cast-steel heads handle heavy-duty leveling and compacting of dirt, gravel, and asphalt.
