* Ladders for use in California will be modified to comply with California OSHA Standards. † Safety Yellow color.

**Cotterman®
Welded Steel Tilt-N-Roll Ladders**

- 30"H handrails included
- Ship assembled
- 450-lb. load capacity (standard base);
- 350-lb. load capacity (straddle base)
- Gray
- 59° climbing angle
- No ladder actuation

Ladder rests solidly on four 2½" rubber pads when climbing. Easily moved by tilting back on 4" wheels with handrails. The balanced design won't allow ladder to scoot away or toward user.

Note: See Grainger.com® for Safety Yellow options.
