Permanent Mildew-Resistant Vinyl Liner

Basket Trucks

Basket trucks have soft fabric liners that keep items from falling out of the trucks as they're moving. The liners may be permanently attached to the carts' frame, or they may be removable to allow for cleaning and replacement. Also called laundry or mail hamper, these lightweight carts can carry laundry, sports equipment, packages, and other bulk materials. All have a wood base. **Canvas** liners resist abrasion but are prone to mold and mildew if exposed to dampness or moisture. **Vinyl** liners are stronger than canvas liners. They resist mold, mildew, and tears and withstand exposure to UV rays. Vinyl liners are also flame-retardant, but other parts of these basket trucks may not be.
