Polyethylene Traffic Doors

- 24" bumpers included
- 30" and 36"W doors are sold individually, all others are sold in pairs

Polyethylene construction for durability. Corrosion-resistant panels have no gaps or joint seams. Double-acting V-Cam hinging system operates smoothly. Permanently lubricated needle-bearing roller assembly.

► **Please choose:** Beige, Black, Burgundy, Cadet Blue, Chocolate Brown, Cloud Gray, Forest Green, Jade, Medium Brown, Metallic Gray, Navy, Red, Royal Blue, or White.

Flexible Traffic Doors

- Textured vinyl construction with PVC body
- 36"W doors are sold individually, all others are sold in pairs

Designed for heavy-traffic applications, these traditional doors provide maximum opening clearance for wide loads. Replacement for existing doors is fast and easy due to simple construction of a top-mounted gravity hinging system.

► **Please choose:** Forest Green, Navy, Metallic Gray, Medium Brown, Red, Royal Blue, Chocolate Brown, or Black.

Smooth Aluminum Traffic Doors

Easy-to-open doors weigh less than impact doors, making them ideal for light-duty applications where cost and aesthetic appeal are considerations.
