

5AB22

6YG07

Column and Corner Protectors

100% HDPE is resistant to chemicals, rust, stress, and cracks. For indoor and outdoor use. Safety yellow.

Column Protectors—Fit all types of columns. Key-lock minimizes slippage and assists with alignment during installation. Protectors install with two 2" black nylon belts with

hook-and-loop fasteners (included) and are stackable. 5AB22 has a slim profile.

Corner Protectors—Install on overhead door frames, corners, vertical columns, or horizontally as machine or rack guards. Protectors install with bolts or nylon straps (not included). Sold in sets of two.
