## Pallet Pullers

Pull pallet to the rear of a smooth truck floor for forklift access. 2 3/4"H heads are self-cleaning and unaffected by wood particles, paint, or grease. 1/4" proof coil chain included. Steel construction.

Note: Not to be used for lifting.

**Single Scissor Action**—Allow for wider jaw opening. Overall closed length: 19 1/2".

**Double Scissor Action**—1-pc. curved heads have integral spurs for gripping pallet stringers.

| Description                         | Pulling Capacity | For Stringers  | Chain Length | Jaw Height | Brand  | Item No. |
|-------------------------------------|------------------|----------------|--------------|------------|--------|----------|
| Pallet Puller Single Scissor Action | 3000 lb          | Up to 3 1/2 in | 13"          | 2 1/4 in   | —      | 21XU18   |
|                                     | 5000 lb          | Up to 5 1/2 in | 30"          | 2 3/4 in   | Dayton | 3KR81    |
|                                     | 6000 lb          | Up to 5 in     | 12 1/2"      | 1 3/4 in   | —      | 21XU19   |
| Pallet Puller Double Scissor Action | 5000 lb          | Up to 3 in     | 13"          | 2 1/2 in   | —      | 21XU20   |
|                                     | 5000 lb          | Up to 3 in     | 30"          | 2 3/4 in   | Dayton | 2A093    |

## Fork Truck Fork Extensions

- Fit onto forks up to 2" thick
- Pkg. of 2

Include steel retaining strap and pin to prevent extensions from sliding off forks. Welded steel construction.

Note: See OSHA 29 CFR 1910.178(a)(4-5) and ASME/ANSI B.56.1-1992 (7.35) for application guidelines.

| Fork Width                     | Extension Length | Min. Fork Length | Brand            | Item No. | Fork Width                   | Extension Length | Min. Fork Length | Brand  | Item No. |  |
|--------------------------------|------------------|------------------|------------------|----------|------------------------------|------------------|------------------|--------|----------|--|

## Forklift-Mount Sweepers

**SWEEP**

- Overall height: 10 in
  - Overall depth: 10 in
- Brooms attach to lift trucks to effectively sweep trash, dust, and debris on flat interior surfaces. They feature five rows of replaceable polypropylene brushes and a Quick-Tite locking

system for secure attachment. Ideal for warehouses, plant or shop floors, and shipping and receiving areas.

| Brush Width | Item No. |
|-------------|----------|
| 48 in       | 8TJV1    |
| 60 in       | 8TJV2    |

**26W563**

## Disc Turntables

- Rotate pallets 360°
- Steel construction

**Benchtop turntables** allow workers to quickly gain access to all sides of the item being worked on. Plates rotate smoothly on ball bearings and include a serrated rubber top cover.

**Manual turntables** allow efficient loading and unloading of both pallet trucks and forklifts. Safety detent lock prevents the carousel from rotating when not in use.

| Load Capacity             | Top Inside Dia. | H           | Item No. |
