Shopping Carts and Cart Corrals

WIRE SHOPPING & PLATFORM CARTS

Two-tier cart has two vertically stacked wire baskets that can hold groceries and other items. Compact size to navigate crowded aisles and tight spaces. Made from powder-coated steel. **Platform carts** have a flat wire deck that holds large or bulky items. Made from zinc-plated steel.

CART CORRALS

Galvanized steel enclosures keep shopping carts organized and contained when not in use. Help prevent loss or damage to carts by providing a place for customers to return empty carts. No tools required for assembly.
