## **Warehouse Vehicles**

To find replacement parts, go to Grainger.com®
Emission-free, fully electric vehicles help keep products, heavy materials, equipment, and people moving efficiently through your facility. Rugged construction features a powder-coated welded steel frame and diamond plate-patterned body with acrylic finish over polyester primer. Safety yellow color.

Titan<sup>®</sup> Series—Brawny, reliable 4-wheeled carriers have a spacious cargo deck to help boost productivity. Choose the versatile HD, or powerhouse XD

model. HD model has rear wheel hydraulic drum brakes. XD models have front and rear hydraulic brakes.

**Minute Miser™**—Quick 3-wheeled transport has a flip-down seat for an additional passenger or small cargo deck. Rear wheel mechanical drum brakes.

**Stock Chaser™**—Maneuverable 4-wheeler has a 9.6-sq.-ft. cargo deck and slim design to work its way through narrow aisles and standard doorways. Rear wheel mechanical drum brakes.

## **Forklift Accessories**

## Frotecting Your People

Seats feature adjustable backrest with suspension, fore and AFT side rail, document bag, and universal mount. Seat belts are retractable with 2" wide belt material. Safety light projects a blue warning light onto floor behind forklift to alert pedestrians. Strobe light includes impact-resistant casing with mounting plate. Head light includes adjustable mounting bracket. Safety front and side lights include adjustable mounting brackets. Tail light includes running, brake, and reverse light. Mirror is curved and constructed of high-visibility impact-resistant metal and polypropylene.
