Stationary Janitorial
Cabinets

■ AssembledAssembled

Sturdy cabinets hold brooms, mops, pails, and other cleaning supplies to keep them organized and readily accessible for use.

Commercial cabinets are 24-ga. steel with a powder coated finish.

Corrosion-resistant cabinets are polished stainless steel and resist rusting when used in areas exposed to moisture and high humidity.

Industrial extra-heavy duty cabinet is fully ventilated with 14-ga. metal mesh door and sides. Offers full visibility to contents and allows air to circulate to prevent buildup of moisture and fumes.

Industrial super duty cabinets are 12-ga. steel with a baked enamel finish.

Jobsite cabinets have a combination of 3 shelves and 2 drawers for storage.

Mobile Industrial Janitorial Cabinet

- Adjustable shelves
- 2 rigid and 2 swivel casters
- 12-ga. steel frame
- Padlock hasp lock
- Assembled

Cabinet rolls easily from one location to another, to take cleaning supplies wherever they are needed. See-through clearview door panes and sides allow users full visibility to contents to aid in loss prevention and inventory management.

Full height compartment provides storage for mops, brooms, brushes, and other long items. Shelves hold cleaning supplies, smaller tools, and equipment.
