Lipped Fixed-Size Compartmented Shelving

■ Steel with powder-coated finish

Compartments have a lip on the front to prevent contents from falling out. Units keep items and supplies separate and organized for quick, easy access. Compartment sizes can be found on Grainger.com.

Compartmented-Box Cabinets

- Gray powder-coated finish
- Prime cold-rolled steel
- Stackable

Large Compartmented-Box Cabinets—4 steel drawers, each with a hinged steel top, steel pull handle, closure latch, and molded styrene tray. Each compartment has a scooped bottom for easy access. Drawers ride on full-suspension slides fixed within the cabinet and can be easily removed.

- Drawers measure 3 in x 18 in x 12 in inside

Customizable Compartmented-Box Cabinets

Sliding drawers are empty allowing users to choose any compatible drawer/insert for custom configuration. Drawer stops prevent unintentional pull-out. Cabinets can be stacked and bolted together, or bolted to a rigid surface, such as optional base, for added stability.

Compartment Drawers—Adjustable compartment boxes include plastic dividers that can be removed or rearranged to create various compartment sizes. Drawer inserts are polypropylene and fit inside compatible empty drawers.
