### Stationary Customizable Bin Cabinets

- Bins sold separately for a customized cabinet

Rugged steel cabinets without bins allow user to configure cabinet to meet specific needs. Units are available with louvered panels to accommodate bins only or with a combination of louvered panels to accommodate bins as well as shelves for flexible storage options.

**Flush doors** have louvered panels to hang bins on the door's interior side for additional storage.

**Deep Box doors** have extra depth for strength and rigidity. Louvered panels on the door allow hanging larger bins for additional storage.
