Small Parts Compartmented Boxes with Adjustable Dividers

■ Translucent lids allow quick view of contents

Sturdy plastic boxes separate and store fasteners, fittings, connectors, and small parts keeping them dust and dirt free. Adjustable dividers create custom-sized compartments within the box.

Cam Action—Tight-sealing latches provide a waterproof seal to protect contents.

Double Latch and Latch—Secure locking latches on front of box.

Mechanical—Sturdy latches are black color for quick identification and give a tight lid closure.

Snap—Push-to-close with snap shut latches.

Fixed Compartment Boxes

Sturdy plastic boxes separate and store fasteners, fittings, connectors, and small parts keeping them dust and dirt free. Fixed dividers offer preset compartment sizes within the box.

Brass Bail—Provide extra-secure lid closure with brass ring latch.

Cam Action—Tight-sealing latches provide a waterproof seal to protect contents.

Double Latch and Latch—Secure locking latches on front of box.

Molded Tension—Integral molded latch keeps lid securely closed.

Snap—Push-to-close with snap shut latches.

Small Parts Storage Systems

Removable drawers and boxes offer flexibility and easy access for organizing and storing small items.

437T79 and **437T77** have enclosed storage space beneath the lid and a DuraView front cover for visibility to lower box contents. Include four removable StowAway utility boxes.

30F061 is a molded plastic cabinet with 3 large and 2 small pull-out trays. Clear door closes to keep trays in place.

19Y299 and **4TJ28** are black polypropylene cabinets that hold 5 translucent drawers with

30F061

437T77

19Y299

dividers. Drawers slide easily in and out of cabinet. 19Y299 has handles on drawers.

437T74 has enclosed storage space beneath the lid and molded-in storage compartments on the top for frequently used items. Includes four lower removable StowAway utility boxes with ProLatch closures. Clear DuraView front cover allows visibility to lower box contents.

3KN86 features a handy yellow polypropylene toolbox on top with no-spill latches, and a built-in handle. Includes (2) 3KN88 lower removable compartment boxes with built-in handles.
