

### Spill-Control Industrial Ventilated Shelf Cabinets

- Adjustable shelves
- Padlock hasp lock
- Frame base
- Assembled

4UEA7

Corrosion-resistant galvanized shelf pans have a lip to contain liquids if a stored item leaks. Steel open-cage design allows air to fully circulate to prevent buildup of moisture and fumes, as well as allowing visibility to contents from all sides. Can be padlocked for restricted access to hazardous chemicals or materials.

No. of Shelves	Overall Width	Overall Depth	Overall Height	Load Capacity per Shelf	Cabinet Color	Item No.
4	38 in	28 in	87 in	250 lb	Blue	4UEA7
8	74 in	28 in	87 in	250 lb	Blue	4UEA8

### Quick-Assemble Commercial Shelf Cabinets

- Adjustable shelves
- Keyed lock
- Solid doors with swing handle

Assembly is quick and easy with no bolts or special tools required. Suitable for offices, apartment buildings, schools, and other commercial facilities.

### Industrial Shelf Cabinets with Drawers

- Adjustable shelves
- Doors have swing handles
- Assembled

Metal stationary cabinets have drawers to hold small or loose items, in addition to multiple shelves for storage. Sturdy cabinets are fully welded and assembled and are suitable for warehouses, machine shops, plants, and other areas where they may be exposed to impacts and other hazards.

**Light duty** cabinets have a powder-coated finish, frame base, and keyed lock.

**Extra-heavy duty** cabinets have a baked enamel finish, leg base, and padlock hasp.

**Super duty** cabinets have a leg base and padlock hasp.

StrongHold cabinets have a baked enamel finish; Durham cabinets have a powder-coated finish.
