

Mobile Wire Bin Shelving

- 6 two-sided shelves
- Steel frame with chrome finish

Steel wire shelving unit is mounted on four 5" swivel casters so it can be easily moved from one location to another. Ideal when items are used in multiple areas of a facility or floor plans change frequently. 2-sided open frame allows bins to be accessed from either side. Includes open front plastic bins.

Revolving Storage Bins

- Shelves rotate independently, even when fully loaded
- Gray powder-coated finish
- Easy to assemble

Rotating steel units offer more accessibility and visibility to contents than standard shelving units. Ideal for maximizing storage in tight spaces, while maintaining full access to items.
