Small Parts Compartmented Boxes with Adjustable Dividers

Translucent lids allow quick view of contents. Sturdy plastic boxes separate and store fasteners, fittings, connectors, and small parts keeping them dust and dirt free. Adjustable dividers create custom-sized compartments within the box.

Cam Action—Tight-sealing latches provide a waterproof seal to protect contents.

Double Latch and Latch—Secure locking latches on front of box.

Mechanical—Sturdy latches are black color for quick identification and give a tight lid closure.

Snap—Push-to-close with snap shut latches.
