**Self-Closing, Adjustable
Safety Swing Gates**

▪ Right- or left-swing
Easy-to-install adjustable gate will fit in a variety of different-sized openings. Auto-close with positive stops. Include mounting hardware.

PS DOORS

Adjustable Ladder Safety Gates

▪ Right- or left-swing
Self-closing swing gate provides 42" top- and mid-rail protection and minimizes the chances of a fall on elevated platforms, mezzanines or ladder ways. OSHA compliant.

**Self-Closing, Adjustable
Safety Swing Gates**

- Width is adjustable in 2" increments
- Universal design for either right- or left-swing
- Friction-reducing bushings eliminate metal-to-metal contact
- Tested to 1,000,000 cycles without spring or hinge failure
- 2-part powder-coated finish,
- zinc-rich primer with UV-resistant polyester top coat

Help facilities meet OSHA and ANSI requirements for mandatory guarding of platform railing system openings. Include hardware for easy installation with no drilling, welding, or cutting. Stainless steel spring won't rust or corrode.
