## Document Displays

Organize, protect, and display reference documents. Durable, powder-coated metal brackets encase wire-reinforced PVC pockets.

**Document Wall Displays**—Mount to wall, expand desktop displays, or mount to accessories. Include index tabs. 1HEP2 features antimicrobial display pockets, for greater workplace health and safety.

**Desktop Document Displays**—Viewable at a 60° angle on a desktop, or at a 30° angle when wall-mounted. Available in portrait or B-size landscape formats. Include desk base, mounting bracket, display pockets, and index tabs.

**Catalog Racks**—Hold 1" or 2" sections of bulky manuals at a 45° reading angle. Heavy-gauge steel construction with powder-coated finish.

**Display Accessories**—For mounting wall displays to other surfaces to keep documents accessible for easy viewing. 1HEN2 telescoping desk column mounts to assembly benches or desks. 1HEN3 rack/shelf bracket mounts to shelving or pallet racks.
