Office and Conference Room Furniture

Work surfaces feature a melamine finish that resists scratches and stains. Meet ANSI/BIFMA standards, except 12U550, 12U551, 12U556, and 12U557.

Prestige+ Series—Drawers have ball-bearing slides for quiet and smooth operation. Feature durable 1"-thick work surface with melamine finish and 2.5mm PVC edge, a modesty panel, and classic moldings. Each pedestal has 2 utility drawers and 1 file drawer with letter/legal filing system.

Legacy Series—Modern design is constructed with 1"-thick melamine laminate with matching 3mm PVC edges. All drawers and doors feature ergonomically designed pulls and include interchangeable locks. File drawers have a 150-lb. weight capacity with full extension, 3-step suspension slides, and hanging rails for letter/legal filing.

Conference Tables—Race track tables have 2"-thick tops and feature power/data ports.
