Adjustable Desk Grommet

Flexible Desk Grommet

Self-Adhesive Wall/Desk Wire Clips

J Style and Locking-Latch Channels

Desk Grommets, Wire Clips, and Channels

Desk Grommets—Adjustable grommets open to 3 different widths. Flexible grommets can receive multiple wires from any direction.

Wall/Desk Wire Clips—Direct wires around corners or angles, keeping them safely off the floor and out of the way.

Channels—Block wires from view and prevent tangling. Self-adhesive backing. Locking-latch channels deter overstuffing; nonlocking ("J"-style) channels are designed for thicker cords.
