ALL-WEATHER WRITING PAPER

10R312

All-Weather Notebooks, Paper & Pens

These notebooks withstand work conditions in construction and utilities, agricultural, survey and engineering, forestry, and mining applications. Covers and pages resist water, sweat, oils, grease, and mud.

Lined Notepads

■ 50 sheets per pad

Lined notepads provide space to organize notes and lists. They are bound at the top for quick access to notes, and are backed with sturdy cardstock for support when writing. They can be used to record measurement, create supply lists, and log hours.

Sheet Size	Rule	Paper Color	Chipboard Backing	Brand	Item No.	Pkg. Qty.

Wirebound Notebook

■ 50 sheets per pad

Opens easily and can be doubled-over for convenient handling while recording measurements, creating supply lists, and logging hours in jobsite applications. The sturdy coils are designed to keep from catching on backpacks, papers, or clothing.

Sheet Size	Rule	Paper Color	Item No.	Pkg. Qty.
3 in x 5 in	Narrow	White	35X062	12

Nonwirebound Notebooks

Smooth binding edges won't snag on clothes or other items. They can be used in jobsite applications to record measurements, create supply lists, and log hours.
