Details on page A1.

Single-Drawstring

Single-Drawstring Bag with Tag

Midwest [®] Pacific

Drawstring Bags

- Cotton/Poly blend
- Pkg of 100

Bags have a pull string closure that is used to keep the bag closed. These tear-resistant bags are used to transport and store small parts and hardware such as bolts, screws, and hex keys.

Single-Drawstring

Bags—Bags can hang from equipment or door handles.

Single-Drawstring Bags with Tag—Bags include a tag for printing customizable information such as addresses.

Double-Drawstring

Bags have two drawstrings that can be tied into a tight knot to help keep items from falling out.

Moving Blankets, Covers & Lifting Straps

Moving blankets and covers can be wrapped around appliances, door jams, and furniture to protect against dents, scratches, and other damage while items are in transit.

Cotton/Poly Quilted Moving Blankets—

Zigzag stitching helps keep the blankets from unraveling. They have one-piece linear batting and finished corners to cushion items and protect from dust and dirt.

Non-Woven Quilted Moving Blankets—

Zigzag pattern, stitched padding provides cushioning for the items being moved.

Cotton/Poly Quilted Furniture Covers—

Zigzag stitching helps keep the covers from unraveling. Hook-and-loop fasteners help hold the covers in place.

Cotton/Poly Quilted Appliance Covers—

Covers are slipped over appliances to help absorb shock. Zigzag stitching helps keep the blankets from unraveling. They have one-piece linear batting and finished corners to cushion items and protect from dust and dirt. These covers have ties to help prevent them from sliding.

Cotton/Poly Quilted Hand Truck Cover—

Slip over hand trucks to help absorb shock while items are being moved.

Cotton/Poly Quilted Doorjamb Cover—

Protect doors and furniture when items are being moved through a doorway. The double-insulated padding has three heavy-duty springs that are used to hold the cover on the door frame. These covers can also be used on stairway banisters.

Forearm Lifting Straps and Moving

Harness—Encourage proper lifting techniques by using leverage so that items being moved seem lighter. Also won't leave scrapes and scratches on floors like dollies or hand trucks.

Mattress Bags

- Low Density Polyethylene (LDPE) material

Clear bags protect contents from dust, spills, and dirty hands. Bags can be recycled.

Equipment Covers

- Low Density Polyethylene (LDPE) material
- FDA compliant

Clear polyethylene bags provide dust protection for sensitive equipment and materials such as computers, healthcare equipment and oxygen tanks. They come on convenient rolls for easy handling.

* G = Gusseted. F = Flat.

Bin Liners

- Low Density Polyethylene (LDPE) material

Clear liners shield bin contents from dust, dirt, and moisture, for placement inside large boxes, bulk cargo containers, and gaylord containers. Used in manufacturing for transporting metals and chemicals and in food processing for storing spices and grain. Packaged on convenient rolls.
