Document Displays

Organize, protect, and display reference documents. Durable, powder-coated metal brackets encase wire-reinforced PVC pockets.

Document Wall Displays—Mount to wall, expand desktop displays, or mount to accessories. Include index tabs. 1HEP2 features antimicrobial display pockets, for greater workplace health and safety.

Desktop Document Displays—Viewable at a 60° angle on a desktop, or at a 30° angle when wall-mounted. Available in portrait or B-size landscape formats. Include desk base, mounting bracket, display pockets, and index tabs.

Catalog Racks—Hold 1" or 2" sections of bulky manuals at a 45° reading angle. Heavy-gauge steel construction with powder-coated finish.

Display Accessories—For mounting wall displays to other surfaces to keep documents accessible for easy viewing. 1HEN2 telescoping desk column mounts to assembly benches or desks. 1HEN3 rack/shelf bracket mounts to shelving or pallet racks.
