Single hopper

1386

Bulk Coffee Grinder—Hold and mill several pounds of coffee beans at a time. Features coarse to fine grind settings for various kinds of brewing methods such as pour over, drip, and French press.

Coffee & Spice Grinder-Mill coffee beans and spices such as cinnamon, nutmeg, mustard seeds, coriander, cloves as well as nuts such as pecans, almonds, and walnuts. It is smaller than bulk coffee grinders and does not have a bean hopper to store beans.

Portion-Control Coffee Grinder-Mill and dispense precise portions of grounds directly into a brew basket or funnel.
