3NZN2   3NZH4   3NZN5   45RM74

Scales   TAYL☮R®

Mechanical—Rotating dial allows container weight deduction and ingredient measuring. Removable stainless steel platform and shatter-proof lens protect dial, except plastic model 3NZN2. 3NZN2 includes dishwasher safe bowl and lid and weighs in ¼ oz. and 5g increments.

Digital—LCD readout with tare and auto/off features. Overload and low battery indicators. 3NZG9 and 3NZH1 include AC adapter or operates on one 9V battery. All others run on batteries only.
