General-Purpose Pre-Printed Packing List Envelopes

A message on the front of the envelope identifies the contents within. Adhesive-backed plastic pouches are stuck to the outside of a package to hold shipping documents. They ensure invoices, packing lists, and safety data sheets are visible and reduce the risk of them getting damaged, lost, or thrown out. Use on boxes, cartons, mailers, tubes, and large envelopes.

Inspection Tags

■ Pkg. of 1000

These paper tags inform employees when equipment has been inspected and is in safe condition to operate. They improve equipment tracking and management. All tags include a 12" wire and fiber-reinforced patch to prevent ripping.

Blank Shipping Tags

■ Pkg. of 1000

Paper tags can be attached to products that a label will not fit on, such as brooms. There is space for users to write or print information such as shipping addresses, product IDs, inventory tallies, and instructional messages like "hold for inspection" or "priority shipment." All tags include a 12" wire and fiber-reinforced patch to prevent ripping.
