**Moving Blankets and Covers**

Moving blankets and covers can be wrapped around appliances, door jams, and furniture to protect against dents, scratches, and other damage while items are in transit.

**Cotton/Poly Quilted Moving Blankets—** Zigzag stitching helps keep the blankets from unraveling. They have one-piece linear batting and finished corners to cushion items and protect from dust and dirt.

**Non-Woven Quilted Moving Blankets—** Zigzag pattern, stitched padding provides cushioning for the items being moved.

**Cotton/Poly Quilted Furniture Covers—** Zigzag stitching helps keep the covers from unraveling. Hook-and-loop fasteners help hold the covers in place.

**Cotton/Poly Quilted Appliance Covers—** Covers are slipped over appliances to help absorb shock. Zigzag stitching helps keep the blankets from unraveling. They have one-piece linear batting and finished corners to cushion items and protect from dust and dirt. These covers have ties to help prevent them from sliding.

**Cotton/Poly Quilted Hand Truck Cover—** Slip over hand trucks to help absorb shock while items are being moved.

**Cotton/Poly Quilted Doorjamb Cover—** Protect doors and furniture when items are being moved through a doorway. The double-insulated padding has three heavy-duty springs that are used to hold the cover on the door frame. These covers can also be used on stairway banisters.

**Forearm Lifting Straps and Moving Harness—** Encourage proper lifting techniques by using leverage so that items being moved seem lighter. Also won't leave scrapes and scratches on floors like dollies or hand trucks.
