Bedding Encasements

- Stretch knit fabric

Lock-Up mattress and box spring encasements trap any existing bed bugs and keep invading bugs out and protect against allergens and dust mites. They have soft, breathable fabric for comfortable, sound sleep. **Lock-Up Encasements** have a waterproof top and also feature a double-zipper enclosure. **Premium Box Spring Encasements** are durable stretch knit with double-knit corners for snag protection.

Bed Pads

Foam bed pads are latex-free and plush, protecting the mattress while supporting the back. They also create a firmer feel to mattresses and provide an environment of comfort and support. Ideal for use in the medical, hospitality and rehabilitation industries.
