

Food Service and Food Processing Cutlery

Stain-free, hand-honed blade provides ultimate edge for easier slicing.

Basics—Slip-resistant polypropylene handle.

Traditional—Natural hardwood handle is secured to blade with brass compression rivets.

Sani-Safe—Textured, slip-resistant handle withstands high and low temperatures. Impervious blade-to-handle seal provides sanitation.

Prodex—Pronounced ribbed textured handle provides slip-resistance gripping positions.

SofGrip—Nonslip soft rubber grip helps reduce stress, fatigue, and common wrist injuries.

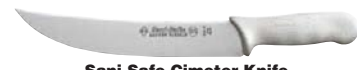

iCUT-PRO—Soft Santoprene handle for comfortable grip. German stainless steel blade provides durability.
