Odor Eliminator Machines

Odor machines dispense air fresheners into the air to eliminate foul smells. 33NY31 is a portable machine that treats odors originating from hard surfaces. Commonly used in large, commercial spaces such as hotel rooms, dormitories, and hospital rooms. 33NY30 is a stationary machine used to remove odors in dumpster rooms, compactor rooms, and loading docks. Find compatible Freshwave IAQ odor-eliminating liquids in the ad above.
