

## Dish Soap

Liquid dish detergent helps remove grease and food residue from dishes, pots, and pans in handwashing applications.

**Pots and pans cleaners** are specially formulated to remove tough grease and oil. Cleaners

generate long-lasting suds to help reduce sink turnover. 33NT91 is a pretreat for your pots and pans, just spray and wipe.

For Dish Wands and Replacement Heads, go to page 1492 and Grainger.com.
