FRIGIDAIRE
Black Stainless Steel Appliances

The Smudge-Proof black stainless steel collection combines classic style with an easy-to-clean fingerprint-resistant surface.

Oven Ranges—Freestanding ranges feature even-temp. cooking technology for even baking. Also feature one-touch self-cleaning oven, electronic kitchen timer, and Store-More storage drawer.

Dishwasher—DishSense technology automatically adjusts the cycle time based on the condition of the dishes. OrbitClean technology provides four times more water coverage. ENERGY STAR Certified.

FRIGIDAIRE
Oven Ranges

■ For residential or intermittent use
These 30" freestanding ranges feature simple controls and provide consistent, fast, and accurate cooking and baking temperatures.

52HZ55 and 52HZ56 have easy-to-use controls to set cooking temperatures. Convenient storage drawer stores cookware.

55KF72 and 55KF73 have large capacity ovens allowing extra space to cook more dishes at once.

52HZ65, 52HZ66, and 52HZ69 have a 14,000 BTU burner that can boil water faster than traditional range settings.
