

## Standard Janitorial Carts

■ 3 shelves

**Standard Carts** store and organize basic cleaning supplies and equipment such as waste bins, buckets, mops, brushes, and vacuums. These general purpose carts transport everyday cleaning products from room to room in schools, offices, and retail spaces.

**Locking Compartments** attach to janitorial and housekeeping carts to keep cleaning chemicals, tools, and other valuables secure with a key.

## High-Capacity Janitorial Carts

■ Black color

Offer more space than standard janitorial carts for storing and organizing cleaning chemicals and supplies. These mobile carts offer a variety of shelves, storage bins, built-in tool organizers, vinyl storage bags for trash collection, plus space for mops, mop buckets, and vacuums. Can be used with Microfiber Disinfecting Bucket 5NY73, sold separately on page 1478.

## Housekeeping Carts

■ 3 shelves

**Carts** store and organize cleaning supplies and equipment such as waste bins, vacuums, fresh linens, and other items for refreshing hotel rooms, lobbies, and conference rooms. These wheeled carts increase worker productivity and eliminate carrying items separately from room to room.

Fabric **Caddy Bag** securely fastens cleaning tools to cart with loops that snap.

## Compact Janitorial and Housekeeping Carts

**Compact Carts**, sometimes called executive carts, are designed to be inconspicuous when moving between offices or smaller spaces. They have adjustable, removable dividers and liners, as well as inside and outside pockets for storing and organizing cleaning supplies. The durable handles and wheels make carts easy to maneuver between offices, conference rooms, lobbies, and fitness centers.

**Caddies** include compartments to hold cloths, sponges, fluids, and other cleaning supplies. Caddies attach or sit on janitorial and housekeeping carts for easy access and portability.
