

1-800-GRAINGER (472-4643)

Allis Bed Sets

- Includes box spring
- Woven fabric outer cover
- Taupe color

Two-sided mattresses and foundations have long-term durability and components that meet up to 150,000 cycles. Pre-compressed, gel-infused foam inserts help to minimize body impressions in the mattresses. They also have no-skid foundation tops for easy housekeeping.

Evington Firm Bed Sets

- Includes box spring
- Woven fabric outer cover
- Taupe color

Bed sets feature a high-performance, foam-encased edge system to support sitting and sleeping. The twice-tempered coils will maintain approximately 98% of their height over the lifetime of the mattress. Open coil unit is supportive, comfortable, lightweight and easy to handle. The gel-infused foam inserts help to promote a cool, restful sleep. A no-skid foundation keeps mattress in place for easier housekeeping.

Bed Frames

Wedge-lock leg design makes the frame stronger as weight is applied. The 1 1/4" high-carbon ribbed steel side rails easily support mattress and box spring. Set up is quick and easy without any tools.
