

## Picnic Tables and Umbrellas

Ship unassembled  
All have easy-to-clean thermoplastic coating that withstands most harsh environments, and eases graffiti removal. Galvanized steel understructure is black powder-coated, with sled-based legs. Expanded metal is 9-ga.; perforated metal is 11-ga. Square, round, and octagonal tables have a 1 1/4" center hold to accommodate optional umbrella (sold separately).
