Bagless, Cordless Upright Vacuums

■ Dry pickup

Operate without the limitations of a power cord to collect dirt and debris in their dirt cup or chamber for disposal. They typically have a see-through chamber that shows the level of debris, so it can be cleared out when full to prevent reduced suction or an overheated motor. These bagless vacuums eliminate the need for replacement bags and rely on filters to trap dust and allergens and keep debris from entering the motor.

Sanitaire

Makita Vacuums—2-stage filtration system. Floor nozzle aids in maneuverability and debris collection.

Sanitaire Vacuum—Low profile allows machine to lay flat for extra maneuverability under furniture.

**Bagged, Cordless Upright Vacuums**

Sanitaire

■ Dry pickup

These vacuums have a disposable bag and operate without a power cord to trap dirt, dust, and allergens in replaceable bags that are discarded when full. These vacuums keep debris contained for disposal to help prevent recirculation of dust and allergens, making them a common choice for use in healthcare and educational settings.

54XJ38 has 2-speeds, runs for up to 60 min., and uses paper or cloth bags. **54YP40** runs up to 47 min. and features a battery life display. **488Z16** runs up to 50 min., and has automatic height adjustment. **55EX34** runs up to 49 min., has a 2-stage motor, and auto stop feature.

**Stick Sweepers**

Floor sweepers pick up dust and debris from carpeting as well as hardwood, tile, or vinyl flooring. They have a slim cleaning head and a pivoting handle for cleaning under furniture and machinery. Their quiet operation makes them suitable for use in hotels and hospitality environments.

Rubbermaid Sweepers—Corner brushes help clean tight spots. **5M865** cleans bare floors and low-pile carpets. **5M867** has a low profile for cleaning under furniture on a variety of floor surfaces. **4HC27** includes soft bumpers to protect furniture on bare floors or low-pile carpets.

Bissell Sweepers—**36RE54**—**36RE56** include dual-debris canisters, plus corner brushes for hard-to-reach areas on bare floors and low-pile carpets. **36RE53** is battery-operated with a 90-min. run time. Roller brush sweeps dirt into its dustpan.
