Bagged, Corded Canister Vacuums

■ Dry pickup

Vacuums trap dirt, dust, and allergens in replaceable bags that are discarded when full. They keep debris contained for disposal to help prevent recirculation of dust and allergens, making them a common choice for vacuuming in healthcare and educational settings. These vacuums have a lightweight wand for cleaning and a canister that houses the electric-powered motor and holds the collected debris. HEPA filter vacuums force air through a fine mesh that traps harmful

particles such as pollen, pet dander, dust mites, and tobacco smoke.

ULPA filters trap more and smaller particulate matter than HEPA filters.

48ME63 is compact for increased portability and maneuverability.

30RR52 cleans hard surfaces, carpet, furniture, and above-floor areas. **566G94** is HEPA safe for immediate containment in hazardous particulate applications. **9RY02** has a large capacity for mold, lead, or asbestos remediation. **36RE57** comes with on-board cleaning tools for carpets, upholstery, and more.

Vacuum Capacity	Weight	Sound Level	Vacuum Air Flow	Power Cord Length	Includes	Brand	Mfr. Model	Item No.
Standard Filtration								
1/2 gal	10 lb	71 dB	135 cfm	20 ft	(2) Metal Wands, Blower Port, Floor Brush, Crevice Tool, Dust Brush	Sanitaire	SC3683D	48ME63
1 gal	14.4 lb	68 dB	68 cfm	32 ft	Combo Carpet/Bare Floor Tool, Dusting Brush, Crevice Tool, 2-pieces Metal Wand	Sanitaire	SC3700A	30RR52

Bagless, Corded Canister Vacuums

■ Dry pickup

Collect dirt, dust, and debris in their dirt cup or chamber for disposal. These bagless vacuums eliminate the need for replacement bags and rely on filters to trap dust and allergens and keep debris from entering the motor. They have a lightweight wand for cleaning and a canister that houses the electric-powered motor and holds the collected debris.

36RE58 is a handheld canister with maneuverable wheels that is both portable and powerful.

55EX49 and **55EX50** quietly clean carpets and hard floors and prevent dust using three-stage standard filtration system. **55EX51** has a larger capacity, speed control, and a full bag indicator light.

Vacuum Capacity	Weight	Sound Level	Vacuum Air Flow	Power Cord Length	Includes	Brand	Mfr. Model	Item No.
Standard Filtration								
1/2 gal	11 lb	84 dB	106 cfm	18 ft	2-in-1 Floor Tool, (2) Extension Wands	Bissell Commercial	BGC2000	36RE58
