

# CLEANING & JANITORIAL

## Metal/Stone/Wood Polish, Cleaners & Dusters

Scan. Order. Done.  
Details on page A1.

### Metal Polish & Cleaners

Polish and cleaners keep metal and other hard, nonporous surfaces, free from dust, water, fingerprints, and streaking. They will not damage finishes. Ready to use.

### Stone Polish, Cleaners & Sealers

Polish and sealers restore and maintain shine on stone surfaces. Specialized formulas clean and protect a range of stone surfaces from natural stone to engineered stone surfaces. Cleaners remove dirt, rust, chalking, efflorescence, and atmospheric stains without scratching.
