

2MPE4

Galvanized Steel Mop Buckets

Zinc coating on round buckets prevents leaks and corrosion. Hot-dipped galvanized after bucket is formed. Durable, weather-resistant mop buckets are ideal for cleanup, wet or dry transport, storage, and more.

Color-Coded Plastic Pail Set

Reduce the possibility of cross contamination by differentiating areas of use. Polypropylene pails are sold as a set in 4 colors: blue, green, red, and yellow. A metal handle makes each cleaning pail easy to transport. Use with Rubbermaid Janitor Carts.
