Stain Blocking Spray Primers

▪ Solvent base Coat and protect pre-painted objects that will have a very different, bright, or distinctive topcoat. They prevent the bottom layers of paint from staining through to the new colors.

Compatible Surface Material	Sheen	Color	Container Size	Coverage Area	Coating Application	Dry Time	Dry Time to Recoat	VOC Content	Sub Brand	Item No.
Exterior, Interior Aluminum, Concrete, Drywall, Metal, Plaster, PVC, Steel, Wood	Gloss	White	13 oz	100 sq ft/gal	Primer/Sealer Stain Killer	45 min	45 min	Less Than 550g/L	Zinsser	4HFC5
Interior Drywall, Metal, Steel, Wood	Flat	Bright White	13 oz	9 to 12 sq ft	Stain Blocker	1 hr	2 hr	477 g/L	Zinsser Odorless	4HFF1

Interior Reflective Coatings

▪ 5-gal.

Coatings are semitransparent that reflect light for nighttime visibility and safety. These coatings prevent rust and provide a gloss or flat finish to mailboxes, gates, walking ramps, bridges, and stairs. These coatings also act as a thermal mirror, reflecting the light away from interior surfaces to lower energy costs.

Color	Finish	Coverage Area	Dry Time	Cure Time	Item No.
Oil Base					
White	Flat	225 to 315 sq ft/gal	4 hr	7 day	52JN63
White	Semi-Gloss	225 to 315 sq ft/gal	4 hr	7 day	52JN64
Water Base					
Black	Flat	135 to 225 sq ft/gal	45 min	4 hr	52JN62
White	Flat	135 to 225 sq ft/gal	45 min	4 hr	52JN60
White	Semi-Gloss	135 to 225 sq ft/gal	45 min	4 hr	52JN61

Striping & Marking Paints

Temporary Marking Chalks—Mark surfaces and can be cleaned away using a wire brush or power washer. Chalk allows for straight lines to be drawn on surfaces in a variety of high-visibility or standard colors when used with line reels.

Temporary Marking Paints—Designed to last approximately 30 days before being washed away by rain. These paints are ideal for roads, pavement, gravel, grass, and dirt prior to being permanently marked in the future.

Semi-Permanent Striping Paints—Used to add markings to outdoor surfaces such as concrete, pavement, grass, or gravel for up to three months of use, where permanent markings are not allowed.

Permanent Striping & Marking Paints—Create permanent markings on a surface that won't wash away.

Paint Dispensing Style	Surface Material	Application	Formulation	► CHOOSE: Color	Container Size	Coverage Area	Compatible Equipment	Dry Time	Brand	Item No.
Temporary Marking Chalks										
Water Base										
Inverted	Concrete, Grass, Gravel, Pavement	General Purpose	Water	Blue, Orange, Red, White, Yellow	20 oz	500 to 530 Linear ft/1 ¼ in Stripe	Striping and Marking Machines	10 min	Rust-Oleum	H7173
Temporary Marking Paints										
Solvent Base										
	Asphalt, Brick, Concrete, Grass	General Purpose	Solvent	Fluorescent Orange, High Visibility Yellow, Red	25 oz	864 Linear ft	Striping and Marking Machines	3 min	Krylon Industrial	J1444
		General Purpose	Solvent	Fluorescent Red-Orange	25 oz	864 Linear ft	Striping and Marking Machines	Greater Than 3 min	Krylon Industrial	J1444
	Concrete, Dirt, Grass, Gravel, Pavement	General Purpose	Solvent	Utility White	22 oz	864 Linear ft	Striping and Marking Machines	3 min	Krylon Industrial	J1444
		General Purpose	Alkyd	Clear	20 oz	300 to 350 Linear ft/1 ½ in Stripe	Striping and Marking Machines	Less Than 5 min	Rust-Oleum	1PTH3
Inverted		General Purpose	Alkyd	Fluorescent Red-Orange	20 oz	300 to 350 Linear ft/1 ½ in Stripe	Striping and Marking Machines	Less Than 5 min	Rust-Oleum	H7151
		General Purpose	Solvent	APWA Blue, APWA Red, Asphalt Black, Blue, Clear, Fluorescent Safety Red, Fluorescent Green, Fluorescent Hot Pink, Fluorescent Purple, Green, Safety Yellow, Silver, Utility White	20 oz	468 Linear ft	Striping and Marking Machines	3 min	Krylon Industrial	J1443
	Concrete, Grass, Masonry	General Purpose	Solvent	Bright Orange, Fluorescent Orange, High Visibility Yellow	17 oz	468 Linear ft	Striping and Marking Machines	3 min	Krylon Industrial	J1443
		General Purpose	Solvent	Fluorescent Red-Orange	20 oz	664 Linear ft/1 in Stripe	Striping and Marking Machines	Greater Than 3 min	Krylon Industrial	J1443
		Tree Marking	Alkyd	Blue	16 oz	279 sq ft/can	Striping and Marking Machines	1 to 5 hr	AerVOE	8TJ49
Overhead	Wood	Tree Marking	Alkyd	Fluorescent Pink	16 oz	279 sq ft/can	Striping and Marking Machines	1 to 5 hr	AerVOE	8PEV5
		Tree Marking	Alkyd	Orange	16 oz	23 sq ft/can	Striping and Marking Machines	5 min	AerVOE	8CEA9
		General Purpose	Modified Alkyd	Blue, Brilliant Red, Brilliant White, Clear, Fluorescent Caution Blue, Fluorescent Green, Fluorescent Orange, Fluorescent Pink, Fluorescent Purple, Fluorescent Red-Orange, Fluorescent Safety Red, Green, High Visibility Yellow, Orange, Utility Yellow	20 oz	664 Linear ft/1 in Stripe	Striping and Marking Machines	Greater Than 10 min	Krylon Industrial	J1446
	Asphalt, Concrete, Dirt, Grass, Gravel, Pavement	Construction	Water	Caution Blue, Clear, Fluorescent Green, Fluorescent Orange, Fluorescent Pink, Fluorescent Red-Orange, High Visibility Yellow, Safety Red, White	20 oz	400 Linear ft/1 in Stripe	Spray Guns, Striping and Marking Machines	Less Than 5 min	Rust-Oleum	H7170
Inverted	Asphalt, Concrete, Grass	General Purpose	Water	Brilliant Red, Brilliant White, Fluorescent Orange, Fluorescent Pink, Utility Yellow	25 oz	864 Linear ft	Striping and Marking Machines	10 min	Krylon Industrial	J1444
		Boundary Marking	Water	Fluorescent Green, Fluorescent Orange, White, Yellow	20 oz	100 to 200 Linear ft/3 in Stripe	Striping and Marking Machines	30 min	Rust-Oleum	H7169
	Concrete, Grass, Gravel, Pavement	General Purpose	Alkyd	Black, Fluorescent Blue	20 oz	600 to 700 Linear ft/1 in Stripe	Striping and Marking Machines	Less Than 5 min	Rust-Oleum	H7172
		General Purpose	Water	Alert Orange/APWA Orange, Caution Blue/APWA Blue, Clear, Fluorescent Green, Fluorescent Orange, Fluorescent Pink, Fluorescent Purple, Fluorescent Red, Fluorescent Red-Orange, High Visibility Yellow, Safety Red, White	20 oz	600 to 700 Linear ft/1 in Stripe	Striping and Marking Machines	Less Than 5 min	Rust-Oleum	H7172
