## Scouring Pads and Scrubbing Sponges

### SCOURING PADS

**Cleansing 98**—For sensitive surfaces such as stainless steel, chrome, porcelain, and ceramic.

**General Purpose 96**—Synthetic scouring pad.

**General Purpose Green 9650**—Thicker hand-size version of scouring pad 96 eliminates cutting or folding of pad for a better grip.

**Heavy-Duty 86**—For heavily baked-on foods.

**Pot 'n Pan 88**—Synthetic material won't splinter or rust.

**Power Pad 2000**—Scours 2 to 4 times faster with 2 to 8 times less scratching than conventional scouring pads. Ideal for stainless steel.

**Cleaning Pad 9000**—Cleans most types of surfaces, including porcelain and nonstick cookware, without scratching.

**Purple Scour Pad 2020**—Fast scouring and low scratching.

**Scour Pad 220**—Heavy-duty, tough cleaning.

**Multipurpose 622**—For no-scratch scouring.

**Dobie All Purpose Pad 720**—Hand-size, no-scratch pad constructed of mesh-wrapped urethane sponge.

**Grill Scrubber 7721**—Mineral-coated to remove burnt-on food and grease.

**Natural Fiber**—Made from 50% plant-based materials. One sponge does the work of 30 paper towels.

### SCRUBBING SPONGES

**Power Sponge 3000**—Power Pad 2000 is combined with an antimicrobial sponge.

**Scrub Sponge 74**—Features 96 pad on one side for medium-abrasive scrubbing.

**Scrub Sponge 63**—Light-duty cleaning without scratching.

**Sponge Cloth**—Offers the absorbency of a sponge with the coverage of a wipe.

**Copper-Coated**—Long-lasting copper edges cut through tough soil.

**Stainless Steel**—Removes baked-on food from cooking equipment.
