Permanent liquid paint markers. To choose your "Marking Tool Surface Material" go to Grainger.com, enter "Item No." and use the filter on the left side.

PRO-LINE Fine—Marks on small surfaces and has a valve-actuated tip.

PRO-LINE HP—Penetrates through oils and greases to dry quickly and leaves a bold mark.

PRO-LINE HT—Fast-drying paint locks in colors and retains some

colors that can reach high temperatures, providing legible marks up to 2,200°F.

PRO-LINE WP—Fast-drying formula resists spreading and running when in contact with water or water-based fluids to leave a bright mark.

PRO-LINE XT—Marks on rusty, rough, and dirty surfaces.

PRO-MAX—Formula dries quickly and leaves bold marks.

Valve Action—Low chloride and xylene-free formula.
