Trash Can Dollies

Use to mount, secure, and keep cans in good working order. Wheeled trash can dollies provide a secure base for trash cans and transport cans around a facility without dragging or lifting. Anchor dollies secure to the ground to prevent cans from tipping.

Half-Round Plastic Trash Cans

Place against a wall to save floor space in hallways, break rooms, and other places where space is limited. Plastic resists dents and won't rust or chip. An open top makes it easy to add trash and change trash bags. D2127 cans include rigid plastic liner. 4PGR5 dome push door top is made to fit these trash cans.
