

45NY63

Walk-Behind Floor Sweepers

- Adjustable main and side brooms
 - Easy-to-empty hopper
- Battery-Powered Sweepers**—Compact machines easily clean most indoor and outdoor surfaces in a single pass. **60KL32** offers a quiet, 61 dBA sound level to allow sweeping anytime, even in noise-sensitive environments. Dual-brush system is 99.5% efficient for particles up to 2 microns. Runs on a maintenance-free, rechargeable 12V battery. Includes brushes, battery, and onboard charger. **45NY63** utilizes 3 brushes. The two front brushes rotate in

opposite directions grabbing the debris directly in front of the sweeper while the brush roller on the bottom picks up all the fine particles. Includes brushes and battery.

Push Sweeper—Lightweight, durable sweeper is easy to maneuver for cleaning dirt, dust, and litter from hard surfaces such as asphalt, wood, or cement. Rotary side brooms sweep debris into the path of the main broom, which feeds the large hopper. Dent- and rust-resistant construction stands up to rough use. Includes lubricant spray.
