D5296

Sealed and Reader Safety Glasses

- Meet ANSI Z87.1-2015
- Meet CSA Z94.3
- 99.9% UV protection

Contemporary design can be worn with detachable temples or with an adjustable headband for all-day comfort. Soft, flexible nasal pads and face cushioning for excellent fit. Suited for dirty, high-particulate work environments such as those where grinding, chipping, shaving and sanding occur. The hydrophilic/hydrophobic HydroShield antifog coating technology on select items offers 90x longer-lasting fog-free performance than most other antifog products. D5296 offers increased magnification for reading, inspection and other fine detail work.
