

Find Respiratory Filter and Gas/Chemical Cartridge Abbreviations on page 1602.

## Advantage Half- and Full-Facepiece Respirators

### ■ NIOSH approved

Cartridges and filters sold separately. Fit test kits available; see page 1618.

**200 LS Half-Facepiece**—Soft, light, and comfortable. Sealing surface conforms to wearer.

**420 Half-Facepiece**—Allow quick adjustment for stable, comfortable fit. Adapt to a variety of head sizes and facial contours. Switch easily between lock-down and drop-down modes.

**420 Half-Facepiece with Threaded Cartridge Adapters**—1-pc. head-band and harness assembly eliminates pressure points; form-fitting neck buckles and wide straps provide a comfortable fit. Face seal adapts to facial contours. Adjustable crown strap and quick, easy switch between lock-down and drop-down modes for flexibility. Include 2 cartridge adapters for use with Comfo threaded cartridges, available on Grainger.com.

**3200 Full-Facepiece**—Soft facepiece with rubber head harness and adjustable straps. Respirators feature antiscratch polycarbonate wrap-around lens and nose cup.

**4200 Twin-Port Full-Facepiece**—Dedicated twin-cartridge respirators with adaptable bayonet cartridge adapters mounted onto the lens. Rubber head harness. In-turned lip provides ideal face seal.

**4200 Respirator RD40 Adapter**—Converts the 4200 full-facepiece respirator for applications including supplied air respirators, powered air-purifying respirators (PAPRs), and gas mask configurations.

**3200 and 4200 Accessories**—Spectacle kit allows prescription eyewear to be worn with respirator. Lens covers protect lenses from soil or damage.

**200 LS Half-Facepiece with Single Neckstrap**

**420 Half-Facepiece with Double Neckstrap**

**3200 Full-Facepiece**

**4200 Twin-Port Full-Facepiece**

**3100 Full-Facepiece**

## Advantage Single-Port Full-Facepiece Respirators

### ■ NIOSH approved

3100 series respirators have a noseclip that helps reduce lens fogging. Canisters attach directly to the facepiece with a single-port, standard-thread filter connection at the chin.
