

**Line Stripers and Accessories**

Clutch-driven piston line stripper. Stainless steel rotating ball valves keep debris from sticking. Feature self-adjusting, 1-pc. static packing with wiper lip for longer life. Subaru gas engines operate quietly and start easily. Carry 5-gal. paint pail (not included). For a complete selection of stripping paint, see page 1610.

**PowrLiner 850**—Unit features a reversible gun mount to stripe off either front or rear tire. Designed with folding handle and poly tires for smooth operation.

- Max. gpm: 0.33
- Max. psi: 3000

**PowrLiner 3500**—Delivers a perfect line on difficult applications like smooth concrete and field and pavement marking. No piston or packings, cylinder or clutch to wear or burn out. Features the Sureflo pusher valve that makes priming easy. Perfect for spraying coatings prone to shearing.

- Max. gpm: 0.92
- Max. psi: 3300
- Honda motor
