

Find more information about gloves and glove sizing on page 1619.

Coated String Knit Gloves

Seamless construction with knit wrist for a close, comfortable fit and enhanced dexterity.

A. to B., Palm-Coated—Available with a raised dot pattern on the palm side or flat dipped on the palm and sides of the fingertips. Flat-dipped gloves conform to the hand and resist degradation through stretching.

C. to I., Double-Sided Coating—Gloves coated on both sides are fully reversible for extended wear. Available with a raised dot pattern, flat dipped, or with a striped pattern.

Key	Glove Materials	Coating Material	Coating Finish	Color	► CHOOSE: Size	Item No.
Palm-Coated						
A	Cotton/Polyester	PVC	Dotted	Beige/Black	S, L, XL	D1448

F	Cotton/Polyester	PVC	Striped	Beige/Blue	S, L	D1455
G	Acrylic	PVC	Dotted	High-Visibility Yellow/Black	XS, S, L, XL	D1768
H	Acrylic	PVC	Dotted	High-Visibility Orange/Black	XS, S, L, XL	D1769
I	Cotton/Polyester	Nitrile	Dotted	Beige/Red	S, L, XL	D1457

* Fingerless

String Knit Gloves

Ambidextrous with seamless construction. Knit stretches for fit and breathability.

Cotton—Absorb perspiration and moisture. Prevent chafing.

Polyester—For use in electronics industry, painting, and delicate parts handling.

Polyester/Cotton—Allow comfort while reducing hand fatigue. D1436 is constructed with recycled poly/cotton material.
